

Jeff Jiang

Associate Vice President

Professional Experience

Jeff Jiang is an Associate Vice President in DAUM's Industry office, where he specializes in the sale and leasing of industrial properties in the SGV East and IE West regions. As a trusted advisor with expertise in financial analysis, tenant representation, acquisitions, dispositions, marketing strategy, valuation, investment sales, and due diligence, Jeff brings a wealth of market knowledge and local and international connections to the industry. He takes pride in his ability to provide the best real estate solutions and opportunities for his clients and to negotiate deals on their behalf. Jeff graduated from Florida International University with an M.S. in International Real Estate (MSIRE). His practice covers a wide range of business sectors, including logistics, e-commerce, and technology. Jeff is licensed as a real estate salesperson in both California and Florida.
